Build a global career with a UK online MBA

Study online, from anywhere, with a London-based institute – located in the centre of the UK's global business capital – and gain a qualification that delivers real career value.

Why this MBA?

- ✓ Designed for professionals ready to lead change and drive growth at senior level.
- ✓ Graduate with a dual qualification: your MBA and CMI Foundation Chartered Manager (fCMgr) status.
- ✓ We have 145+ years' experience educating professionals from the City of London.

“Many of our students are already working professionals who want to accelerate their career progression. They are looking to move into leadership roles or broaden their business understanding. Our MBA gives them the tools to do that.”

Dr Vikram Finavker
Academic Lead for MBAs at Walbrook

“I would say just go for it. I am currently in full time employment, so being able to study at my own time and being able to be in control of my own studying was really important, and Walbrook provided that as part of their online degrees.”

Aleksandra Anastasova
Walbrook online MBA student
